POLARIS

echoes

Opening Europe's cultural heritage cloud to every library

Empowering Libraries to Lead Co-Creation and Innovation through the European Collaborative Cloud for Cultural Heritage

3
pilot libraries connected to the ECCCH

€400K
in cascade funding through two Open Calls

8+
new use cases funded across Europe

20+
libraries supported by our Innovation Hub

15+
real stories of the ECCCH in practice

Our pilots

British Library, London
750,000 digitised books, opened up for research and AI

Biblioteca Malatestiana, Cesena
Humanist manuscripts from the 15th century, now ready for the Cloud

POLYMNIA, NKUA, Athens
Greek musical heritage, from score to sound, in one knowledge graph

Upcoming Open Calls

Two Open Calls will fund new ECCCH use cases across Europe, with dedicated support for libraries in underrepresented regions. Follow POLARIS for launchdates and eligibility details.
